The **KIDS U** golf program will expose your child to the **FUNDamentals** of golf; putting, chipping, pitching and full swing, along with the rules and etiquette of golf. Our goals are simple – stimulate a love for the game by showing young athletes how to accelerate their progress and success in golf and to provide them with the tools to enjoy golf for life. Your child will be using **properly fitted** golf clubs during their classes as they progress through the **KIDS U** golf program. Our golf program is progressive, featuring three levels of learning. Upon completion of each level, your child will receive a formal **Certificate** of completion.
